Dream **Report** – **The Art of Industrial Intelligence**

Dream Report
USER FRIENDLY REPORTING
SOFTWARE FOR **CONTINUOUS**
& BATCH PROCESSES
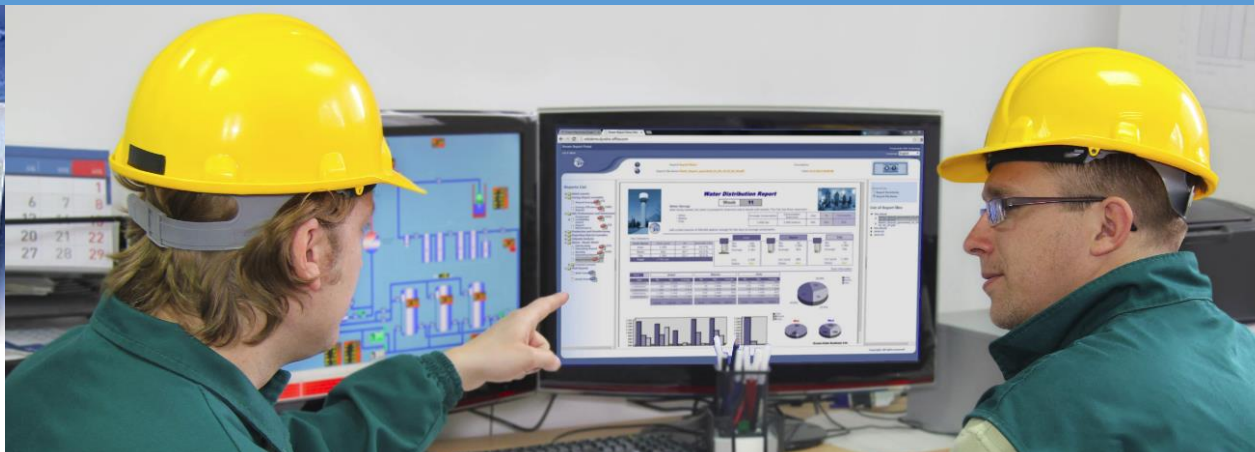

All Industries

Aerospace
Agricultural Products
Automotive
BioTech
Building Automation Systems
Chemicals
Consumer Packaged Goods
Electronics & Assembly
Fabrics and Fibers
Food and Beverage
Manufacturing
Medical and Devices
Metals and Mining
Military & Government
Oil and Gas Upstream and Downstream
Pharmaceutical
Pulp and Paper
Power Generation and Distribution
Renewable Energy
Semiconductors
Transportation
Water and Wastewater

All Report Types

Alarm Reports
Audit Trail Reports
Batch Reports
Compliance Reports
Efficiency Reports
Electronic Flow Measurement (EFM)
Energy Audits
Federal Regulatory Reports
Laboratory Information Systems (LIMS)
Manufacturing (MES) Reports
Production Reports
Quality Reports
Sterilizer Validation
State Regulatory Reports
Thermal Uniformity Surveys (TUS)
Water Quality (MOR)
Wastewater Discharge (MDR)

Web Portals and Interactive Reports
Microsoft Excel Reports
CSV File Reports
Native PDF Reports

## All Industry Data Sources – Real-time, Alarm, History

Standards Support

OPC DA, OPC AE, OPC HDA
ODBC, OLE-DB
Microsoft Excel, CSV
MODBUS, SNMP, BACnet

Proven Connectivity

ARC Informatique, Aspentech, Citect, Canary Labs, Control Maestro, CSE Semaphore, Emerson, Eurotherm, GE Intelligent Platforms, Indusoft, Invensys, Iconics, Inductive Automation, LOYTEC, Mitsubishi, OSI Soft, Rockwell Automation, Schneider Electric, Siemens, Wonderware, Yokogawa…

Dream **Report** by Ocean Data Systems

Dream Report Features & Benefits
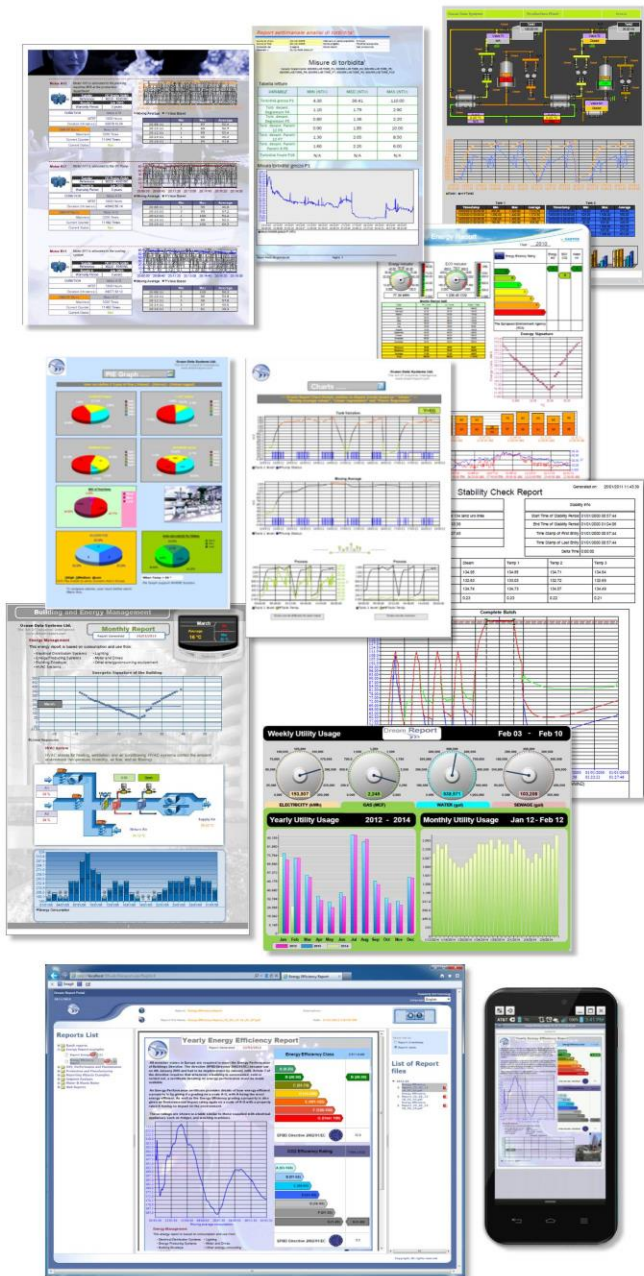

- Easy to Use and Programming Free
- Designed for Industry
- Modern Technologies
- 24x7x365 Reliability
- User and Report Security
- WYSIWYG Developer Studio
- Scalable and Cost Effective
- Localized 12+ Languages
- Web Portal – Fully Interactive
- Email, FTP, Print
- Native PDF, File, Excel, CSV
- Over 60 Data Drivers (Data Connectors)
- Industry Standards (OPC, ODBC, OLE-DB)
- Real-time Data Connectors
- Alarm Data Connectors
- History Data Connectors
- SQL Data Connectors
- SQL Query Builder (Graphical Tool)
- CSV and Excel Data Connectors
- Sophisticated Analytics
- Batch Awareness and Statistics
- Golden Batch Comparisons
- Powerful Display Objects (Widgets)
- Bar Code Printing
- 21CFRPart11 Support
- Audit Trail
- Auto Documentation
- Project Deployment
- Template Locking (Value-Add Opportunity)
- Redundancy for Reliability
- Primary and Backup Printers

System Integrator Program

Our program delivers what you need, and gives you room to grow. The Dream Report System Integration Program isn't designed as a profit center. Our margin comes from the initial product sale. Ocean Data Systems wants to be your partner, supporting you in the applications you deliver and working with you to maximize your profits. Visit our website to sign up for the Dream Report System Integrator Program.

Proven Partners

Proven Partners have chosen to work closely with Ocean Data Systems, committing to deliver joint services and long term support to our combined customers. Together, we've proven the integration of our products and we commit to working together as partners, delivering our customers the highest quality solutions today, and migration paths for tomorrow. Visit our website for a current list of industry leaders that rely on Dream Report.
